

Doodle Your House

Since the phrases “to each his own” and “beauty is in the eye of the beholder” apply to personal tastes, select a house template to “doodle” in a way that reflects your personal style. Be sure to stick to a monochromatic color scheme and incorporate “doodles” that reflect your personality and personal style and interests. Make sure your “doodles” are neat and school appropriate. There are an assortment of templates to choose from so pick one that reflects your personality and personal style.

In the space below, explain in a minimum of one solid paragraph why you chose the house style and color you did, and what it says about your personality. Use the internet if necessary to look it up. Also, choose two doodles to elaborate on how they reflect your personal style and interests.

A large, empty rectangular box with a thin black border, intended for the student to write their response to the prompt above.
