

“She’s Saving Our Oceans” (May 2019)

Read the Scholastic Choices Article “She’s Saving Our Oceans” (May 2019)

1. What is the role models name and age?
2. What is her mission? Why is this so important to her?
3. How does STEM fit into the work she is doing?
4. Share a quote from the role model that might encourage or inspire others?
5. What are the 4 ways we can teach others to help?
6. Brainstorm some STEM related activities we can do with children to help this STEM related mission. Be prepared to share.
