

## TIKTOK HANDWASHING DANCE PROMOTING IMPORTANT COVID-19 MESSAGES

You have the opportunity to spread information to remind people to practice safe habits during the Covid-19 pandemic.

View the tiktok created by two young men and be inspired to Spread the word!

- This activity is inspired by an [article](#) on the Parents website in response to the global coronavirus fears. Scroll down to watch the instagram video of the two young men (it's awesome). Read the translated version of the words in the article and Pay close attention to the techniques the two you men are using, they are correct and thorough. You must include very specific handwashing focused techniques in your TikTok.

Message must be about: Any of the Covid - 19 Safe Practices

Criteria:

- Write a script for you tiktok, include the details of the message you are spreading through the use of tiktok (This must be on a google doc and submitted with your tiktok).
- Record and submit your tiktok to google classroom.
