

20 THINGS YOU DIDN'T KNOW ABOUT POPCORN

For the past week we have been learning about popcorn. Discover Magazine has contacted you to write an article about popcorn. Your task is to find a partner and create a “20 Things You Didn’t Know About Popcorn Article”. Your teacher will provide you with an example of how this article should be structured and it is up to you to use the knowledge you have obtained on this topic as well as your notes and creativity to complete the assignment. This assignment is to be completed with a partner and turned in on _____. Use the scoring guide below to create your article to be displayed in the classroom.
