Birthday Party Project   Name_____

Child Development   Date Due_____

GOAL: Plan a "Themed Birthday Party" for a preschool aged child with your teammates.

PART I: Choose a theme for your birthday party from the provided list.

Birthday party theme is_____

PART II: Plan and include the following based on the attached criteria sheet….

- Invitation
- Decorations
- Party Games & Activities
- Food/Menu

PART III: Design a creative display or visual of your "PARTY"!

- Poster, Mobile, 3-D Gift Box, Power Point, Display Board

PART IV: Present your "Party" to the class! You may bring in a food sample from your menu to share. You must also play one of your games or activities with the class.

Visual Criteria Must Include:

1. Theme of Party

2. Create an invitation…check out: www.hooverwebdesigns.com: go to the "free printables" section; design and print out or you can create your own.

3. Samples of decorations….favors, gift wrap, streamers, props, etc. See website listed in #4 for possible ideas.

4. Names and directions to three (3) party games or activities that relate to your theme. These must be age appropriate. Check out: http://www.momswhothink.com/birthday-party-themes/birthday-party-themes.html for possible ideas.

5. Food/Menu: Must include a theme related meal (think creative, colorful, fun, ease in eating, nutrition, etc.). Must be written in the following menu format:

<div align="center">

Fruit on a Stick
Bambinos
Carrot & Celery
Rice Krispie Treats
Strawberry Smoothies

</div>
