

Materials

- Scrap Fabric (thicker works the best)
- 1 Zipper
- 1 Button
- Thread
- 2" Piece of Ribbon folded in half
- 1 Keychain

Directions

1. Cut out the pattern piece
2. Pin the patterns on single layers of fabric and cut on the solid lines
3. Sew in the zipper- top of the zipper on the "hinge" of the fish's mouth
4. Sew on the button above the zipper
5. Put the right sides together putting the ribbon ends in the middle of the fishes tail, loop facing in
6. Starting at the top of the fishes head sew the way around using the side of the presser foot as a guide.
7. Leave an opening so you can turn it right side out
8. Before turning trim edges/clip corners
9. Blind stitch opening closed. Press.
10. Attach key ring
