

Infant Development: Vision

Use the provided graphic organizer to take notes on the references article:

http://www.babycenter.com/0_developmental-milestones-sight_6508.bc?page=1

Go to <http://www.askdrsears.com/topics/parenting/child-rearing-and-development/bright-starts-babys-development-through-interactive-play/playtime-articles/visual-stimulation-newborns> to help you answer the following questions.

- A. How does visual stimulation help a baby's brain develop? Explain.

- B. What is the best stimulation for developing baby's eyes? Explain. Look examples up if you don't know what this looks like.

Create a stimulating cube at www.bighugelabs.com for a newborn that would stimulate and develop their eyesight. Join yours together with other classmates' cubes to create a mobile. (4-5 cubes per mobile)
