

Create a Safety Page

1. Design a hand drawn or computer generated safety tip page based on a selected hazard. The page must be 8 ½ x 11 in size.
2. Your safety page must be in color, neat, informative and creative. See sample for basic idea. Must include 5 safety tips.
3. Choose from: Medicines, Bath-Time, Pets (dogs/cats), Stairs, Pools, Houseplants, Plastic Bags, Cribs, Car Seats, Foods, Poisons/Cleaning Supplies, Small Appliances
4. Use notes from the safety video to help you.
5. Rubric

Criteria	Present	Not Present
Creative, neat & colorful x5		
Informative & includes 5 tips x 10
