

Top Ten Reasons to Encourage Play

Use all of the information you have learned about play and create a top ten list (in your own words, Dave Letterman style) of reasons to encourage play. Make them funny, but truthful. Start with #10 and proceed, making #1 the most important. The title for the list will be:

“The Top Ten Reasons to Encourage Play”

This list should be TYPED and should contain appropriate graphics or clip art.

Date Due _____
