Family Strengths

Task: You are asked to create a VOKI Public Service Announcement (PSA) about a family trait to help families who are trying to make their family stronger and have a more successful relationship. In this assignment, you will use the family strengths information we worked with in class along with the YouTube clip as a sample to help you write a script (rough draft) for your PSA addressing the importance of having this particular strong family trait and suggestions for how to accomplish this within the family. Ex. Family Time: Schedule a "family game night" a couple of times a month. Rotate who gets to pick the game each time.

Your rough draft is due _____ and must be turned in with the rubric.

Be sure your PSA has an introduction and concluding statement. Be sure your avatar is speaking fluently and clearly. Your avatar must be human and voices gender specific. Save your avatar with your name as the title.
