

What is Baby Thinking? (Literal Project)

Choose 2-3 pictures of a baby interacting with something unique, with interesting facial expressions and a good view of the baby's mouth. Save these into your picture documents.

Go to www.blabberize.com and log in with the following:

Username/email: _____

Password: _____

Click "MAKE"

Upload your picture with "BROWSE" and crop if necessary. Click 

Edit "mouth" shape by moving dots. Click 

Write down what you think the baby is thinking and consider the voice in which you want to say it. When ready...

Click the "MICROPHONE" icon. Click the red dot to begin recording and then again when you are finished. Listen to your recording and redo if necessary.

Save and complete all 3 boxes. Put your name in the title box.

Click private to complete the save.

Picture of baby interacting/facial expression: 15

Realistic Thoughts created with thought: 15

Voice: loud, clear, with few pauses: 12

Thoughts spoken with expression: 13
